## Entertainer

Please be aware that Entertainer vouchers have certain rules of use as determined by Entertainer. These rules are set by Entertainer for all restaurants and are not unique to Goloso.

- **No BYO or corkage, ie. you cannot use an Entertainer voucher if you have brought your own wine.**
- **No splitting of bills. Only one bill per table or group allowed.**
- **Not valid with any extras ordered in addition to the item being discounted, ie. pizza toppings.**
- **Not valid with any specials.**
- **Not valid on public holidays.**

A complete copy of the rules of use is available within your Entertainer App.

Please understand these rules of use are set by Entertainer and not by the restaurant, therefore we are unable to be drawn into discussions over the rules of use.

When buying the Entertainer product, you agreed to the included rules of use. If at the time of using your vouchers you feel you no longer agree with these rules of use, kindly take this up with Entertainer directly, and we will be happy to abide by their decision.

**Kindly understand the restaurant is unable to mediate these matters on behalf of Entertainer.**
